Dear Mrs Baxter

**COMPUTACENTER: CONNECT PAY REVIEW 1<sup>st</sup> JANUARY 2010**

Further to our recent conversations and the letter indicating Computacenter's final offer on the 23<sup>rd</sup> March 2010 I would like to confirm the company's final position with regard to the 1<sup>st</sup> January 2010 pay award.

During our meetings for this years pay review the discussions have centred around the company's performance in 2009 and the general economic climate. As a consequence of these discussions the company has taken on board the points put forward by Connect for an increase in pay and this is reflected in the offer below.

This is a final offer made on a without prejudice basis. The offer consists of either a 0.4% unconsolidated award (one off payment) or a 0.2% increase to pay (pensionable) for all members in the bargaining group.

I hope that Connect will give very serious consideration to this final offer in order to achieve a settlement.

An early response will be greatly appreciated.

Yours sincerely
