

MOD Pay 2019 - Pay Survey

On which of the current Pay Ranges do you sit?

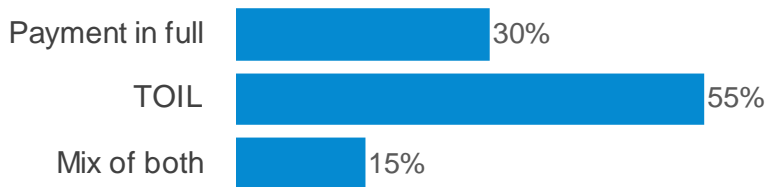

If on the London pay range, which London Allowance do you currently qualify for?

Does your current role include a requirement for you to regularly work additional hours?

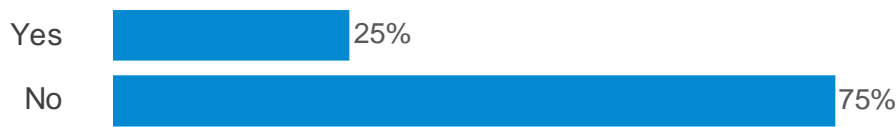

If yes, do you receive overtime pay for those additional hours or time off in lieu (TOIL)?

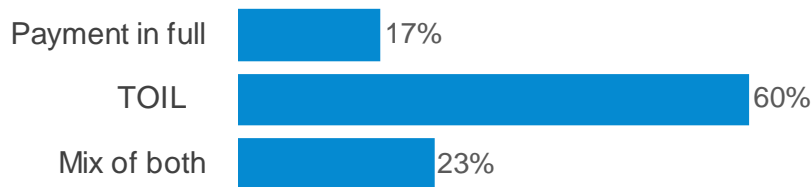

If an element of TOIL is taken is this by personal choice or management instruction?

Does your current role include a requirement for you to regularly accrue travelling time?

If yes, do you receive payment for this or time off in lieu (TOIL)?

If an element of TOIL is taken is this by personal choice or management instruction?

Does your current role require you to claim subsistence and/or motor mileage allowance?

If yes, do the current subsistence caps and mileage rates provide adequate recompense?

Does your current role require you to work to a shift roster?

Does your current role require you to work to a rostered attendance pattern which includes out of hours cover?

Does your current role require you to participate in an on-call roster?

Does your current role/skill set qualify you for a pensionable functional allowance?

Does your current role/skill set qualify you for a non-pensionable functional allowance?

Does your current role/location qualify you for a pensionable locational allowance?

Does your current role/location qualify you for a non-pensionable locational allowance?

Do you support Prospect's principled opposition to funding pay increases by sacrificing terms and conditions?

Would you be prepared to take part in a campaign against the imposition of a one year pay deal worth 2%?

Would you be prepared to take part in a campaign calling for a fair and fully funded pay settlement for MOD civil servants from 2020?

Would you be prepared to take part in a campaign to ensure that the department honours staff's contractual entitlement to be paid for overtime and travelling time?

Would you be prepared to take part in a campaign to increase the subsistence rates and motor mileage rates MOD civil servants receive?

Would you be prepared to get involved and participate more fully in the activities of Prospect?
