Women's Network

reception

Sunday 9 June

Hall 3, 6-7pm

Birmingham ICC

Don't miss our women's networking event at Prospect's national conference this year. It will be a great opportunity to:

- **Meet with women from other Prospect branches;**
- **Learn more about the union's work on sexual harassment;**
- **Hear about network activities to date; and**
- **Shape the network's future programme.**

Refreshments will be provided.

So, as you prepare to travel to Birmingham, remember to include the women's network reception in your conference calendar.
