

# Play the Prospect Lottery

And win **BIG!**

**It could be YOU!!**

The monthly prize varies between £100 & £200 per month, this depends on the number of people who take part and how much they play—the more people who join, the higher the prize!!

Each entry costs £1, but you can enter as many times as you like, up to £20 per month, so for example £5 would buy you 5 entries.

You can only enter if you are a member of Prospect.

There is no limit to the number of times you can win—the draw is entirely random. We have just had a member win 2 months straight!

Half the money received into the lottery fund is used as prize money, the other half is paid into the Social Fund. The Social Fund helps to subsidise a number of social events and services we provide, including flowers and fruit to sick members.

The draw is undertaken and overseen each month by the Treasurer & Prospect Staff . They cannot take part in the lottery and therefore have no personal financial interest in the lottery.
