

UK SAFER THEATRES CHARTER

Management of UK theatrical venues must...

- 1 **Publish** onsistent and prominent announcements regarding expected audience behaviour.
- 2 **Recognise** that alcohol consumption can create an unsafe environment for audiences and staff.
- 3 **Enforce** a zero-tolerance policy towards anti-social, violent, abusive or discriminatory behaviour.
- 4 **Commit** to applying all policies, procedures and risk assessments consistently and train staff to apply them.
- 5 **Ensure** sufficient resources and security staff to enforce all policies.

Everyone has the right to a safe
and enjoyable theatre experience.
